Endnotes

1. Population

1.1 & 1.2 Due to the use of regression modelling, the sums of rows and/or columns may not equal totals given. In addition, population estimates do not include approximately 200 RCMP and military personnel living in Yukon who do not subscribe to the Yukon Health Care Insurance Plan.

1.2 'Other' includes communities such as Champagne, Elsa, Johnson's Crossing, Keno City, Stewart Crossing & Swift River.

2.3 "Total" government employment includes Yukon Liquor Corp. and Yukon Development Corp./Yukon Energy Corp.; excluded are First Nation governments.

3. Consumer Prices

3.1 & 3.2 The Consumer Price Index (CPI) measures price changes over time but should not be used to compare costs between provinces and cities. As of the May 2007 CPI release, the weights of various items in the basket of goods and services used to calculate the index have been updated from 2001 to 2005.

8.3 'Total' includes other types of refined petroleum product sales. Domestic sales are by reporting companies, are exclusive of exports and sales to other reporting companies, and are adjusted for exports and imports by non-reporting companies.
